Amazing
LOVE!

Are you hungry for more of the Lord? Do you walk in the Power of Faith? FireGate Ministries and Doves International are hosting speakers, prophetic teachers and healing evangelists, *Tom & Deborah Gliebe*. The Gliebe's are true servants who bring a powerful touch from Heaven. They are known revivalist and have been catalyst in several major moves of the Spirit. They are just back from the Fiji Islands where thousands were touched to the Glory of God. Miracles, healings and salvations are a common thread of their ministry.

The Gliebe's have ministered around the World from the ghettos of Kenya, Africa, to the leaders of nations. Their desire is to establish the Word through its demonstration and to bring healing to the body of Christ! Set aside Saturday, March 26th for the two meetings and plan to come and bring someone. Don't miss this wonderful opportunity to hear prophetic teaching, inspiring testimonies and receive personal ministry.
