Warmly invites you to come to the...

Behold, I Will Do a New Thing Conference

Revivalist Deborah Gliebe, co-director of FireGate Ministries International, will be speaking at the "Behold, I Will Do A New Thing Conference". It will be held at the Highway Worship Center in Fruitland, ID, on Friday thru Sunday, April 28th, 29th & 30th, 2017 and hosted by Pastor Thomas Young.

Deborah is a carrier of Revival Fires. She came to Fruitland last year and many people were profoundly touched. As one pastor described her, "She's full of God's light and dynamite!" Her ministry flows with Biblical teachings, apostolic preaching, and with wonderful testimonies all seamlessly woven together in the prophetic. Deborah has preached to millions, traveled the globe and been hosted on many radio and TV programs, such as TBN's "Praise the Lord, "Warning", the "Eleventh Hour", and the Evangelist's Heart" programs. There is a powerful anointing that comes when she ministers so come hungry and please invite others who need to know Jesus, experience the love of Christ and be touched to be His Spirit! *See you there!*
