

Fire Gate Ministries

Warmly invites you to come to...

As in the Days of Noah

Revivalist Deborah Gliebe, of FireGate Ministries International, will be the ministry speaker at three events on May 19th, 20th and June 9th, 2017.

Deborah is as one pastor described her, "She's full of God's light and dynamite!" Her ministry flows with Biblical teachings, apostolic and preaching all seamlessly woven together in the prophetic. Deborah has preached to multitudes, traveled the globe and been hosted on many radio and TV programs, such as TBN's "Praise the Lord", "Warning", the "Eleventh Hour", and the "Evangelist's Heart". There is a powerful anointing that comes when she ministers so come hungry. Come to the revival meetings! Invite all those who need Jesus, experience the love of Christ and be touched by the His Spirit! *See you there!*
